– Kratak rezime sa bibliografijom: Marko Đukanović –

Ime i prezime	Marko Đukanović
Akademsko zvanje	Doktor računarskih nauka
Akademska titula	Vanredni profesor
Pol	Muški
Datum rođenja	20.10.1990.
Mjesto zaposlenja	Prirodno-matematički fakultet, Univerzitet u Banjoj Luci
E-mail	marko.djukanovic@pmf.unibl.org
Telefon	+387 65 699 683 (mobilni)

Rođen je 20.10.1990. u Novom Gradu, Bosna i Hercegovina. Prirodno-matematički fakultet (PMF) Univerziteta u Banjoj Luci upisuje 2009. i završava ga u julu 2013. sa prosječnom ocjenom 9.87 (od 10.00). Master studije iz matematike je završio u martu 2016. na istom fakultetu. Doktorske studije iz oblasti kompjuterskih nauka na TU Wien, pod mentorstvom Gintera Raidl-a, završava u maju 2021. sa najvišom ocjenom. Naslov njegove teze je "*Exact and heuristic approaches for solving string problems from bioinformatics*".

Što se tiče radnog odnosa, 2014. je biran za asistenta na Prirodno-matematičkom fakultetu Univerziteta u Banjoj Luci, Odsjek za matematiku i informatiku. Potom na istom fakultetu za višeg asistenta 2016., nastavničko zvanje docenta 2021. godine, te vanrednog profesora 2026.godine. Zadužen je kao profesor za više informatičkih kurseva, među kojima i Operaciona istraživanja, Baze podataka, Projektovanje baza podataka, Napredni koncepti baza podataka, Proceduralno programiranje i Informacioni sistemi.

Dobitnik je nekoliko prestižnih nagrada, među kojima je Zlatna plaketa za najboljeg studenta generacije na PMF-u, nagrade za najboljeg mladog istraživača "Danubius Young Scientist Award 2022" za Bosnu i Hercegovinu, te nekoliko nagrada za najbolji rad na međunarodnim konferencijama.
Njegov istraživački interes uključuje diskretnu optimizaciju, vještačku inteligenciju, bioinformatiku i metaheuristike.

Bibliografija
